

Inner Chilbo in Mt. Chilbo

This area comprises the Naewon Valley and some parts of the eastern area of Paktal Pass in the mountain.

Many peaks, fantastic and oddly-shaped rocks rise in an enchanting row, presenting a majestic and wonderful view. Found in this area are the Kaesim, Sungson, Haemang, Naegyong and Hoesang rocks, on which tourists can enjoy the beautiful scenery of the mountain.

According to the sightseeing routes, the area is divided into the Kaesim Temple, Sangmae Peak, Naewon and Isonam districts.
